ART LINKS

DrawSpace - Features free drawing lessons over the internet ... for beginner, intermediate, and advanced artists.
Mark Ryden - "Mark's paintings instantly trigger a warped deja vu. His work recalls a parallel universe of 1950s Golden Books and the whimsy of Lewis Carroll. His cheery bunnies, rendered in the glowing hues of children's books, are likely to be carving slabs of meat rather than frolicking in the forest."
The Picture of Everything - A sketch of everything on earth ... EVERYTHING. ON EARTH. EVERY DAMN THING.
Museum of Bad Art - "The world's only museum dedicated to the collection, preservation, exhibition and celebration of bad art in all its forms."
Julian Beever's Pavement Drawings - An artist who creates some truly breathtaking works of art with chalk on the sidewalk ...
New York Institute of Photography - "Educating photographers since 1910 ... "
